

End of Life Announcement for RoboteQ RGIM1860

RoboteQ announces the end-of-life dates for the **RGIM1860** controller. This controller has entered obsolescence and is being replaced with the improved RoboG4 **GIMG2660TS** controller.

The replacement RoboG4 product retains the same dimensions and similar power specifications to its predecessor, while boasting a more powerful MCU and improved hardware, enabling new features and capabilities.

RoboteQ customers that are using any of the affected controllers are encouraged to take the steps to transition to the use of the replacement RoboG4 models in their systems by the dates defined in Table 2. This impacts only new orders placed after November 29, 2024, existing orders will be processed as ordered.

Table 1: Affected Controller Models and Replacements
