

End of Life Announcement for RoboteQ SR5K100V25R

RoboteQ announces the end-of-life dates for the SR5K100V25R. This product has entered obsolescence and is being replaced with the SR2K60V25R. This change is part of a commitment to continuous improvement and delivering the best possible products to customers.

The replacement product (SR2K60V25R) retains the same dimensions as its predecessors but will support power ratings up to 2kW and voltage ratings up to 60V.

RoboteQ customers that are using the affected product are encouraged to take the steps to transition to the use of the replacement product in their systems by the dates defined in Table 2. This impacts all new and pending orders.

Table 1: Affected Products and Replacement

Affected Controller Model	Replacement Controller Model
SR5K100V25R	SR2K60V25R Currently available

Table 2: End of Life Milestones and Dates

Milestone	Definition	Date
